Re: Hot Weather Information

Dear Parents/Carers,

During periods of high temperatures and hot weather, College Park follows the guidance from Public Health England. Please read the following advice.

We will:

- Ensure that pupils do not take part in vigorous physical activity on very hot days, such as when temperatures are in excess of 30°C.
- Encourage pupils playing outdoors to stay in the shade as much as possible.
- Provide pupils with plenty of water (such as water from a cold tap) and encourage them to drink more than usual when conditions are hot.

You should:

- Provide your child with a wide brimmed sun hat.
- Provide your child with a refillable water bottle
- Send your child in light coloured loose clothing like shorts and a t-shirt – no jumpers/coats
- Apply sunscreen before pupils arrive at school. Staff are unable to apply sunscreen.
- Please apply sunscreen (at least factor 50 with UVA 7 UVB protection) that should be able to last for the entire school day

If you have questions or concerns, please do not hesitate to contact the school to speak to a senior leader.

Kind regards,

Ricardo Clarke
Assistant Head

Claire Shepherd
Headteacher.
